

# NIM & DORAEMON: THE BANGKOK TRAFFIC JAM

Bangkok. 1 PM.

Ugh, the famous Bangkok rot tit... We'll never make it to Yaowarat for lunch.

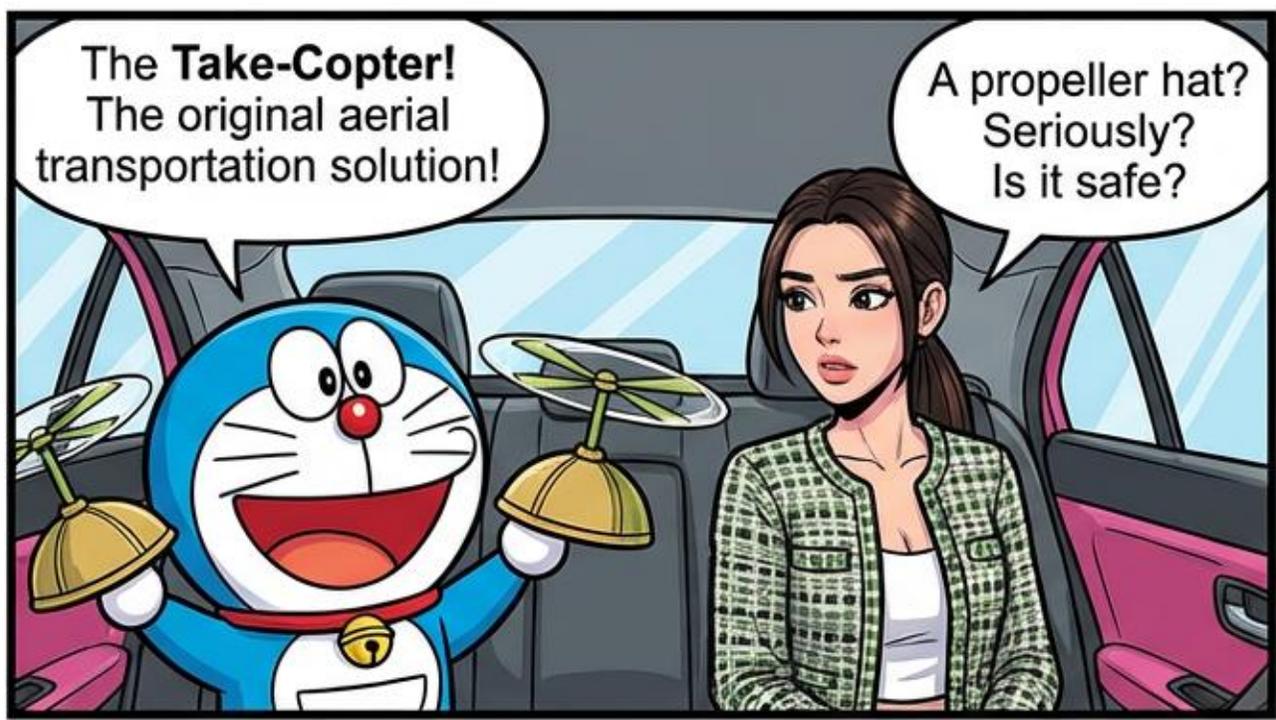

ใจเย็นๆ  
(Jai yen yen)  
... Take it easy.

Traffic is just a suggestion, Nim!  
I have the perfect tool for this!

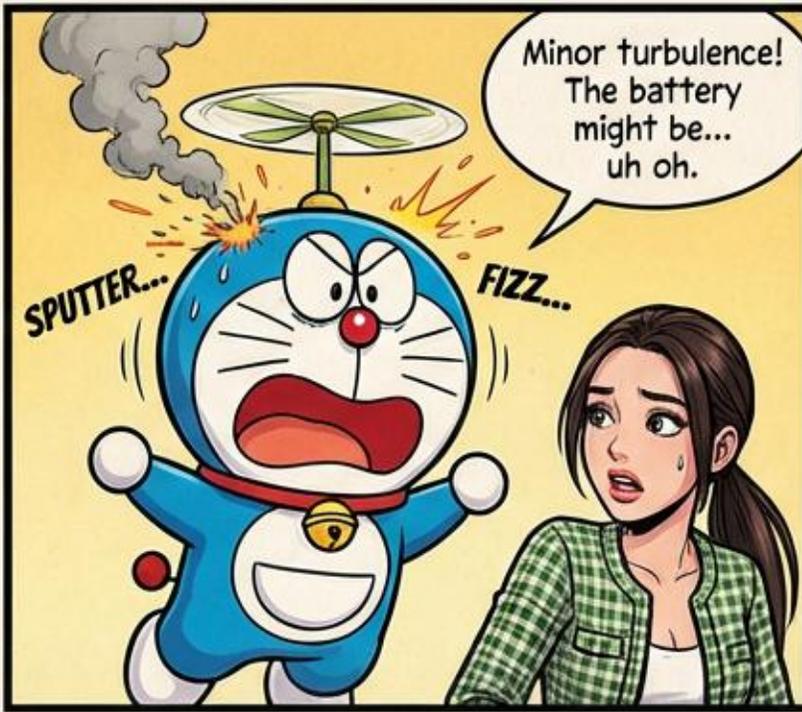

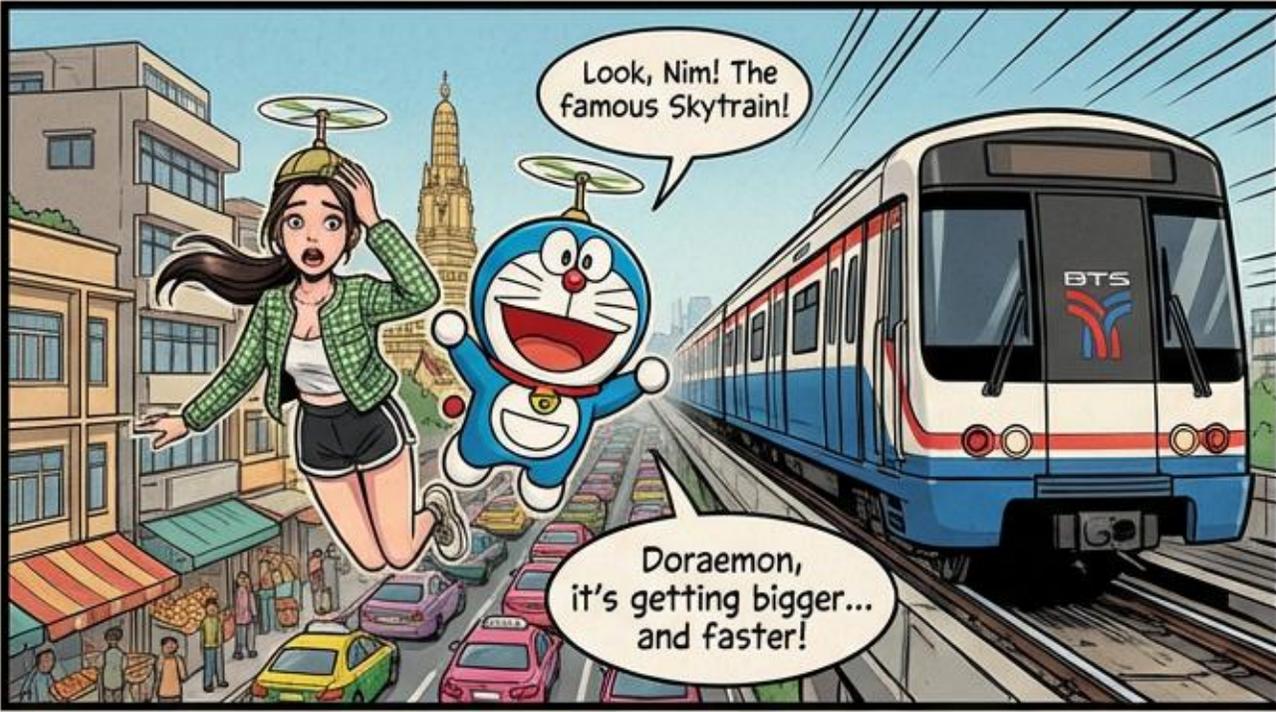

WOOOHOOO!  
This is **WAY** better  
than the Skytrain!

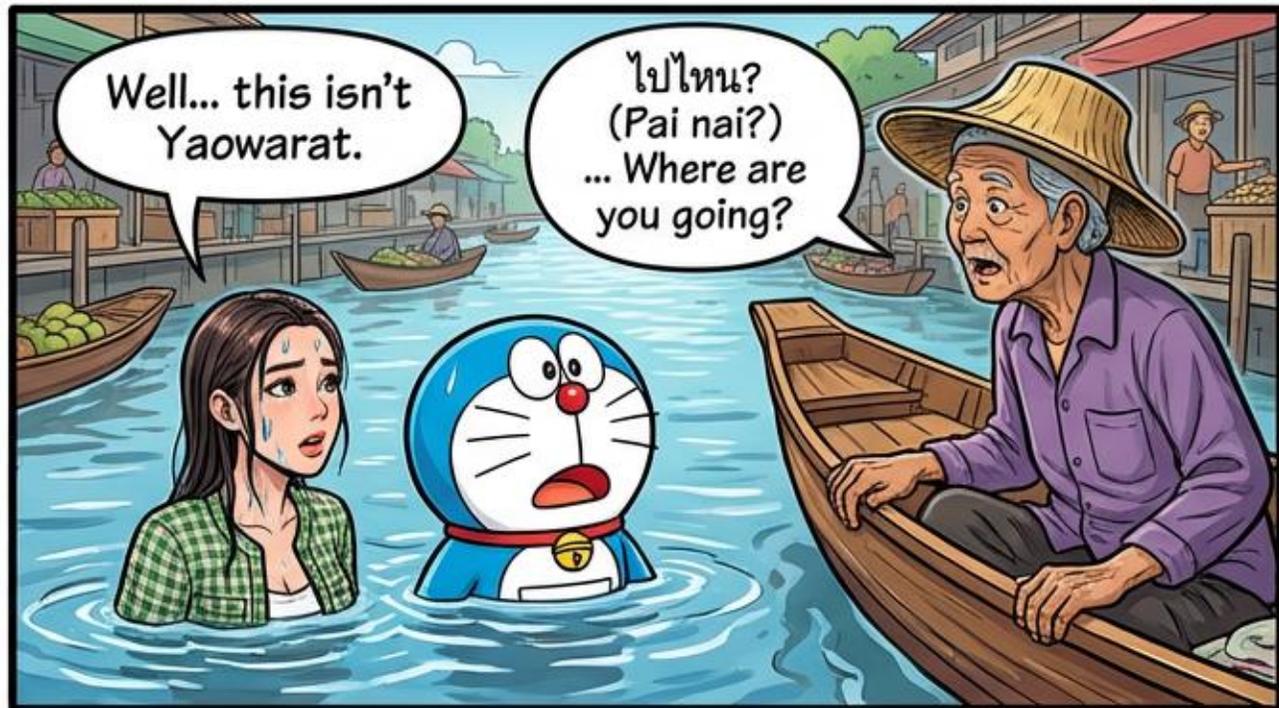

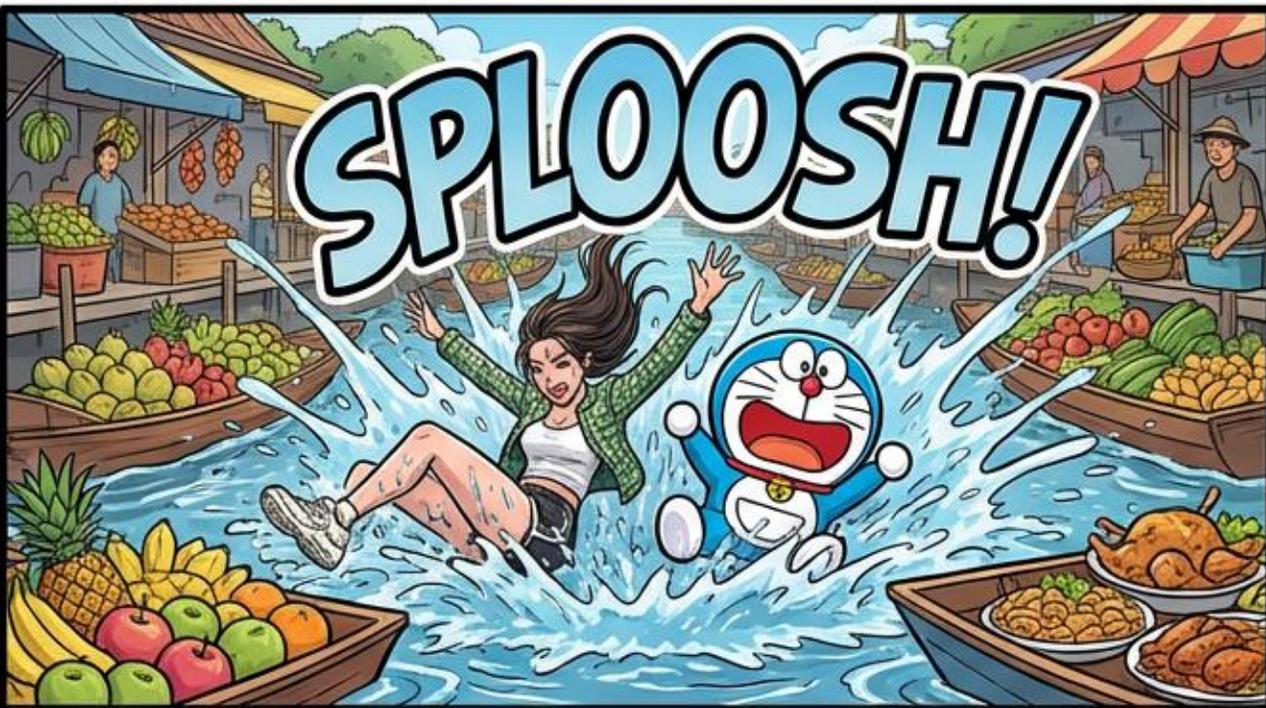

See? I told  
you! We can see  
everything from  
up here!

\*ไฮโย!  
(Hooray!)

Well... this isn't Yaowarat.

ไปไหน?  
(Pai nai?)  
... Where are you going?

We were going for lunch...

Lunch here!  
Special for you.

Wow! Aroi mak!  
(Very delicious!)
